EDUCATION

MBA, Digital Business - Indian Institute of Information Technology (IIIT), Lucknow **2026 - 2028**

B.Voc., Modern Office Management - Rajiv Gandhi South Campus, Banaras Hindu University **2023 - 2026**
CGPA: 8.4 | Class XII (ICSE): 76.75%, 2023 | Class X (ICSE): 77.6%, 2021

PROFESSIONAL EXPERIENCE

Human Resource Intern - NTPC Mining Limited (NML), Ranchi **Jul 2025 - Oct 2025**

- Led cross-functional coordination of employee engagement initiatives for 100+ participants across 5 stakeholder groups (employees, associates, contractors, interns, families), handling communication, logistics and on-ground execution.
- Supported a 6-stage recruitment workflow: manpower planning, job description and specification preparation, CV screening, document verification, joining and confirmation.
- Analysed employee feedback in Excel and compiled the findings into a project report on engagement initiatives for NTPC CMHQ.
- Prepared communication decks, activity formats and coordination plans for 5 activity types: quizzes, games, competitions, recognition and family-focused programs.
- Managed event requirements, participant communication and execution timelines across the 5 stakeholder groups.

PROJECTS

Power BI Sales Dashboard - Data Analysis & Reporting **2026**

- Built an interactive Power BI dashboard with KPI cards, slicers and visualizations to analyse sales across 5 dimensions: outlet type, size, location, product category and customer rating.
- Identified sales performance patterns and prepared findings and recommendations for reporting and discussion.

Patanjali Channel Analysis - Business Case Study (Strategy & Growth) **2026**

- Analysed pricing, channel performance and customer migration across 6 sales channels.
- Developed a KPI framework covering profitability, retention, repeat purchase and channel migration, with a 0–36-month implementation roadmap.

LEADERSHIP & ADDITIONAL EXPERIENCE

- **Esports Community Founder & Tournament Organizer:** Founded a community and grew it to ~500 members; ran tournaments with 100+ participants daily, handling entry-fee collection, prize distribution, score tracking and player communication.
- **Editorial Co-Author & Presenter:** Co-authored and presented “Rewiring Humanity: The Neuralink Leap into Algorithmic Life” on brain-computer interfaces, neural-data privacy and equitable access.
- **Football Captain:** Captained a 20-25 player college team in training and matches; previously captained the Senior School team. Inter-hostel tournament winner.

SKILLS

- **Tools:** Microsoft Excel, Power BI, Microsoft PowerPoint, Microsoft Word, Google Sheets, Canva, ChatGPT
- **HR Functions:** Recruitment Support, JD Preparation, CV Screening, Document Verification, Onboarding, Employee Engagement, Feedback Analysis, HR Reporting, People Management,
